## **Lifeguard (Seasonal)**

Silver Creek Plunge is a family owned mountain campground with rustic lodging and geothermal pool located in the Boise National Forest, 20 miles north of Crouch, Idaho. We have been providing family camping experience since 1957! As new owners since 2022, we're looking to expand our team with energetic, fun-loving, family-focused individuals who will help Silver Creek Plunge continue to be the place where families experience family!

We are looking for a professional Lifeguard able to supervise swimmers with integrity and attention to detail.

Our goal is to create a clean, orderly, safe and fun environment for our guests so they can focus on enjoying family in our outdoor geothermal pool.

### **Lifeguard Job Responsibilities:**

- Supervises swimming activities of our natural, outdoor geothermal pool and ensures that policies, guidelines, and safety procedures are followed.
- Warns swimmers of improper activities or danger and enforces pool regulations and water safety policies.
- Administers first aid in the event of injury, rescues swimmers in distress or danger of drowning, and administers CPR and/or artificial respiration, if necessary.
- Evaluates conditions for safety and initiates aquatics emergency action plan as required.
- Inspects pool facilities, equipment, and water to ensure that they are safe and usable.
- Supervises and assists in cleaning the pool and related facilities and equipment, assists with chlorine residual water tests and with records and charts of water tests and records of accidents, and adds chemicals to pool water as directed.
- While "Lifeguarding" is the primary (20 hr per week) job description, we are a small operation so there is possibility of increasing hours to 40 hrs per week if you're interested in being cross-trained in key aspects of operating the property

including: booking/ reservation, cash register, store operation, Snack Shack operation, and splitting/bundling wood.

- Assists other departments when needed to ensure optimum service to guests.

### **Work Hours & Benefits**

This is a 20+ hour per week job, with a majority of those hours compacted into a few days surrounding the weekend. In fact, this could be just a “weekend” job if that works best for your schedule. (There is plenty of additional work around the property so we could expand the hours to 40 hours per week, if you’re interested in working different aspects of the property.) You will be guaranteed 2 days off per week.

The job runs from mid-May through mid-September (maybe October depending upon weather). This job requires applicant to live onsite for the season with onsite housing provided in a camp trailer; due to our location commuting isn’t a viable option.

The rate of pay is between \$15 - \$20 per hour, depending upon experience.

As an employee, you’ll: (a) have free employee lodging; (b) free utilities, including WiFi, (c) unlimited free access to the geothermal pool; (d) receive 50% off all store purchases; (e) receive lodging discounts for family and friends; (f) enjoy “family meals” with staff and owners throughout the summer; (g) experience team-building fun with our amazing Silver Creek Plunge family!

### **Qualifications / Skills:**

- Knowledge and ability to evaluate the water conditions of our natural geothermal pool to determine any potential dangers or hazards
- Swimming proficiency and comfort in all types of water conditions
- Ability to judge and evaluate evolving dynamics of individuals participating in aquatic activities to immediately assess their capabilities and threats to their safety
- Knowledge of on-site protocols, operational procedures, and safety policies
- Knowledge of methods and techniques for providing on-site emergency medical services

### **Education, Experience, and Licensing Requirements:**

This is a professional position responsible for the health and well-being of a large number of swimmers so Lifeguard and CPR Certification is a must. If you desire to be our Lifeguard but lack Certification, we will be willing to pay for your Certification with the understanding that you commit to lifeguarding for us for 1 year minimum.

- High school diploma or equivalent
- Minimum of 6 months of related work experience

- Certified Red Cross Lifeguard Training Certificate, or equivalent
- American Red Cross CPR for the Professional Rescuer, or equivalent
- American Red Cross Standard First Aid, or equivalent

### **Apply Now**

If you'd like to join our team, call us at **208.739.3400** or **805-712-8773** and ask for **Shawn Penn** or email us at [\*\*silvercreekplunge@icloud.com\*\*](mailto:silvercreekplunge@icloud.com) and let us know your interested! We look forward to speaking with you! If you have your resume, please email that to us too!
